

**Year 2 – Home Learning Challenge 13****Daily activities**

- ✓  **Reading (20 mins)** – read a book you enjoy.
- ✓  **Spelling (15 mins)** – practise then choose 2 of the words from the box below and write them in a sentence.
- ✓ **Maths (15 mins)** – a task from the fluency ladder – only move onto the next step when you are an expert! Ask people in your house to test you on a Friday (maybe you could test them too!). Also keep practicing your 2, 5, 10- and 3-times tables on TTRockstars.
- ✓  **Mindfulness** – Heartbeat. We can use our heartbeat to connect with the present moment in times of difficulty or stress. Place your fingers or hands over the part of their body where they can best feel their pulse - on the side of their neck, under their jaw, inside their wrist or, over their heart. Close your eyes and notice how quickly or slowly your heart is beating. Think about your current state of emotion and consider if this might be connected to how quickly or slowly your heart is beating. Stand and jump up and down on the spot ten times. Return to sitting and feel your heartbeat again, noticing any changes. Close your eyes and focus on your heartbeat until it slows back down.
- ✓ **Physical activity** – Bean bag toss: Set up a target and have your children toss bean bags (or something soft) into it. You can have bowls (each worth a different point value) or use a box with cuts holes in it.

Spellings for the week - ness (2)	
dizziness	fussiness
jolliness	stickiness
silliness	cheekiness
bossiness	sleepiness
sloppiness	shyness
happiness	dryness

**Weekly fun tasks**

Try making your own butter!

**Ingredients**

Serves: 16

450ml (16 fl oz) double cream

1/4 teaspoon salt (optional)

Jam jar

**Method**

1. Pour the cream into the jam jar, filling it half-way full
2. Screw on the lid tightly.
3. Shake the jar for approximately 5-7 minutes.
4. Remove the solids from the jar, this is your butter and the remaining liquid is buttermilk.
5. Your butter can be flavoured by mixing in salt, garlic or even herbs and spices.

**Fluency Ladder**

46	Rounding to 10, 100, 1000, 10 000, 100 000
45	Factors and multiples
44	Squared and cubed numbers
