

Year 2 – Home Learning Challenge 14

Daily activities

- ✓  **Reading (20 mins)** – read a book you enjoy.
- ✓  **Spelling (15 mins)** – practise then choose 2 of the words from the box below and write them in a sentence.
- ✓ **Maths (15 mins)** – a task from the fluency ladder – only move onto the next step when you are an expert! Ask people in your house to test you on a Friday (maybe you could test them too!). Also keep practicing your 2, 5, 10- and 3-times tables on TTRockstars.
- ✓ **Mindfulness** – Mindful Breathing: You can stand or sit for this activity. Put both hands on your belly and close your eyes or look down to your hands. Take three slow deep breaths in and out to see if you can feel your hands being moved. You may like to count “1, 2, 3” for each breath in and “1, 2, 3” for each breath out, pausing slightly at the end of each exhale. Think about how the breath feels, answer the following questions silently, in your mind. What is moving your hands? Is it the air filling your lungs? Can you feel the air moving in through your nose? Can you feel it moving out through your nose? Does the air feel a little colder on the way in and warmer on the way out? Can you hear your breath? What does it sound like?
- ✓ **Physical activity** – Balloon ball: There are endless ways to play with balloons indoors and outdoors weather permitting! Try to keep it off the ground or just play catch. Mix it up with balloon tennis!
