

**Hello year 1!**

We understand that this is a very difficult time for everyone so we thought we would give you a fun challenge to keep you busy and hopefully make you and your family smile!

Want to get moving?!

- ✓ Create your own dance routine to perform to your favourite song and then perform it to an audience. You could do this alone or with a partner!

Fancy a bit of fun?

- ✓ Design a route for an Easter egg hunt that someone in your family could complete! Think carefully about where you would hide your eggs! 😊  
Hint: You can use the examples to help you!

We hope you are keeping yourselves happy and safe, and we look forward to seeing you all again soon!

Have fun,

Love from Miss Newby and Mrs Larkin
