

Year 2 – Home Learning Challenge – Easter week 1

Hello again everyone,

We hope you are all happy and still keeping yourselves safe – we know it's difficult not meeting up with your family and friends but hopefully the challenges this week will keep you and your family busy. Don't forget, it's difficult for us too as we miss seeing your lovely smiling faces at school every weekday!

Challenge 1:

If you can please share with NHS Nightingale London on Facebook using #RainbowsForNightingale so they can share them with staff and patients at the hospital digitally.

Challenge 2:

Play the alphabet game with your family.

Starting with A, take turns using every letter of the alphabet in sequence and say an adjective to describe yourself or tell everyone something that makes you happy. Can you use every letter including Q and Z?? Choose different things to say e.g. fruits and vegetables and play again.

Enjoy your week.

Love from

Mrs Blundell, Miss Wrigglesworth and Miss Proudlock x x x
