

Year 6 – Home Learning Challenge 15

With Year 7 fast approaching, we thought we would remind you that there is still plenty of time to have any questions you may have answered. Below are some links for your future secondary schools which will give you information on what to expect. Take the time to have a good look through your school's website to discover all of the exciting things you will learn and can take part in. Still have questions? Don't be shy, give them a call and put your mind at rest! They will be happy to help ☺

High Tunstall
